MISSION STATEMENT

Superyacht Crew Academy is committed to providing quality and consistent maritime training that is relevant for seaman worldwide. We provide a practical and flexible approach, focusing on the needs of the student, as well as the industry. Skills learnt are transferable in the workplace, and will be taught by trainers who are highly qualified and respected. Superyacht Crew Academy not only provides, but also prides itself, on comprehensive pre- and post-training support.

ABOUT SUPERYACHT CREW ACADEMY

The Superyacht Crew Academy was established in 2002, and is Australia's leading Superyacht and maritime education provider. Over the past 20 years, we have shared professional assistance and guidance at our private, dedicated training facility, through our highly qualified trainers who have worked onboard superyachts worldwide. We have built a very strong and reputable network with recruiting agents overseas, with Captains looking for interior and exterior crew that have confidence, commitment and the 'edge'.

It does not matter if you have years of boating experience behind you, or you have never set foot aboard a boat; the Superyacht Crew Academy can get you qualified, competent and job-ready to start your career in only a matter of weeks. The Academy will take you through all the relevant training and certification required to be totally capable, employable and a valuable crew member on board a Superyacht. All our courses are taught by industry professionals, who are experts in delivering quality training and have extensive maritime experience, who will share with you the relevant skills and knowledge to excel in any role.

No Registered Training Organisation can guarantee employment outcomes, but our business, trainers, assessors and support staff will work diligently with each learner to assist them in gaining the skills and knowledge they need to be work ready, and therefore able to take advantage of the employment opportunities in the industry.

As such we like to welcome you to your training and take this opportunity to outline the program you have entered into.

During your training program there will be responsibilities placed upon you, in the case of traineeships – by your employer and Club Sail Pty Ltd t/a Superyacht Crew Academy.

TRAINING LOCATION

Superyacht Crew Academy Training Facility
8A Kalinya Street, Newport NSW 2106

TRAINING ACCOMMODATION & FACILITIES IN SYDNEY

The Superyacht Crew Academy's International Yacht Training Worldwide course programs have many special advantages for trainees coming from out of state or overseas because we provide assistance (if desired) with accommodation:

The International Yacht Training Worldwide and Nationally recognised MAR30913 - Certificate III in Maritime Operations (Master up to 24 metres Near Coastal) programs are divided into two parts; at sea and shore-based.

During the practical sea training for your professional career, you will live aboard the training yacht or power vessel with all meals included.

You, and the other students, will arrange a watch system for cooking, cleaning and sailing. Our practical sail training area combines one of Australia's most beautiful and protected waterways which can include exciting offshore sailing along the coast of New South Wales.

During the shore based theory training, you may wish to eat at one of the excellent restaurants offering international cuisines, within walking distance of the marina. The Newport Arms, one of Sydney's finest and most famous pubs, is situated right next door - perfect for the sunset debrief.

While at the marina, you will be just a short walk from some of the finest surfing beaches in the world, a great way to start the day and get some exercise.

LEARNER HANDBOOK

Your theory courses are presented in spacious air conditioned rooms. Access to visual, large screen monitor, practical demonstration equipment, and refreshments are all at your fingertips. It is a friendly and relaxed environment where the instructors will work with you in a personal and interactive way to maximise your training requirements.

During courses you have the option of staying at accommodations near the Superyacht Crew Academy. The Superyacht Crew Academy assists students in selecting affordable accommodation, the cost of this is additional. The YHA Sydney Beachouse at Collaroy or Airbnb accommodation is most frequently used by students studying at our facility.

WEATHER CONDITIONS

Whilst every effort will be made by your trainer to give the learners maximum time on the sea, weather conditions may be such that, in the opinion of the instructor, the yacht or crew may be in danger and in such circumstances the vessel will remain in a place of safety. If the weather conditions are such that a prevention of the start or curtailment of a course or charter occurs then no refunds will be given, but alternative dates will be offered.
